2014 STREET SHEET

Available help for those who are homeless or are threatened with homelessness

Whether you need a safe place to sleep tonight or just a few groceries to get you and your children through the next couple of days, there is help for you.

The City of New Bedford's Homeless Service Providers' Network (HSPN) has created this "Street Sheet" to identify some important resources available to you—where to get a meal, how to find shelter and where to call for help that you need right now in New Bedford.

This information is updated semi-annually and some providers or programs may have changed since the last revision. Check each agency to verify their current service capabilities.
